LETTER

Sir:

Applicants enclose herewith copies of two Information Disclosure Statements (IDSs) previously submitted by the Applicants in the above-indicated application. As indicated by the enclosed copies of Applicants' Return Receipt Postcards, the first of the IDSs enclosed was mailed to the Patent Office by Applicants on February 6, 2003 - and accorded a filing date of February 10, 2003 by the Office of Initial Patent Examination (OIPE), as indicated by the date stamp - and the second of the IDSs enclosed was mailed to the Patent Office by Applicant on July 16, 2003 - and accorded a filing date of July 16, 2003 by the OIPE, as indicated by the date stamp.

The Examiner of this application, Gary W. Counts of Art Unit 1641, has indicated to Applicants' representative that neither of the enclosed IDSs was entered into the application file or provided to him for examination. It was recommended to Applicants' representative by Examiner Counts's supervisor, Examiner Long Le, that Applicants resubmit a copy by mail of the previously submitted IDSs together with copies of the date stamped Return Receipt Postcards and copies of the non-patent literature documents previously submitted with the previously submitted IDSs, so that they can be properly entered into the application file and considered by

the examiner. Examiner Le further indicated that Applicants send a copy of each of the above-indicated IDSs, without cited references, by facsimile, to Examiner Counts. Applicants duly submitted these copies to Examiner Counts by facsimile on September 15, 2003. Examiner Le indicated that Examiner Counts could retrieve the patent documents cited in the IDSs from the Patent Office's databases, and that it would not be necessary to resubmit these with the present resubmission.

Accordingly, Applicants respectfully request that the Patent Office enter the enclosed IDSs into the application file, accord them the filing date indicated on their respective enclosed date-stamped Return Receipt Postcards, and forward the IDSs and the enclosed non patent literature documents to Examiner Counts for his consideration.

Applicants note that the appropriate IDS submission fees were paid when the enclosed IDSs were previously submitted, and, therefore, no additional fees should be due at this time. If, however, a fee is required, the Commissioner is hereby authorized to charge Deposit Account No. 23/2825.

Respectfully submitted,
Cynthia C. Bamdad et al., Applicants
